We Proudly Dedicate The 1970 Spectator To Two People Who Are Themselves Dedicated

Mr. Richard Hopkins

Miss Frances Blancett

Because they have worked for and with us, because they have given generously of their time and wisdom - words are a poor substitute with which to express our sincere respect and admiration for them.

In appreciation for such devoted service the Annual Staff proudly dedicates this 1970 SPECTATOR to Miss Frances Blancett and Mr. Richard Hopkins, for whom we hold such high regard both as teachers and friends.

Mr. C. V. Watson

Superintendent's Message

I would like to take this opportunity to thank the annual staff for the many hours that have been spent in planning and producing this book. The excellent quality that you see on the following pages is a tribute to the outstanding work of this dedicated staff.

I would also like to take this opportunity to express my appreciation to the entire student body for their achievements during the school year. There have been some trying times in our year, but the student body has magnificently bounced back and continued to do an excellent job.

I want to wish the senior class the best of luck in any endeavor that you pursue and I know that with your ability and your desire to succeed you will find your place and become a credit to your school and your community.

C. V. Watson

Principal's Message

You are important! For there is something to do which will not be done unless you do it - something needed.

Certainly the domestic and foreign crisis will demand continuing a great system of government of the people, by the people, and for the people, with accumulated laws for the protection of everyone. But the people must operate this democratic system well. Today's youth must meet headon the issues of this and every future day.

I sincerely hope the many lessons you learned at our Calhoun High School will help you to meet successfully the problems of future years.

Keep up your desire and dedication and you will go far in your chosen field of endeavor.

Congratulations and continued success.

DOWN PAYMENT ON THE FUTURE

WESTERN KENTUCKY GAS

608 FREDERICA ST., OWENSBORO, KY.

What money can do sometimes outweighs the cash value a thousandfold. That's why Western Kentucky Gas invests in Kentucky college scholarships every year. Again in 1970, the scholarship recipients living in counties served by Western Kentucky Gas will enroll in the Western Kentucky colleges of their choice; and one Kentucky high school teacher from the same area will begin work on a Master's Degree . . . courtesy of WKG.

We *don't* decide who gets the scholarships—that decision rests with the college or university concerned, or with the Graduate Scholarship Committee. In all cases, selection is based on need, and past performance, and overall scholarship. We *do* get a great deal of satisfaction from picking up the tab, so that some who might not make it alone can take the next step in their priceless education. The future of Kentucky rests in the minds of its young people. We think there's no more profitable place to make an investment. Don't you agree?
